Coordinated Entry

Client Intake (Search)

The image shows a mobile application interface for "Client Intake". At the top, there is a dark header bar with a compass icon on the left, the title "Client Intake" in the center, and a hamburger menu icon on the right. Below the header, there are three orange buttons: "< Reset", "Enter New Client", and "Search". Underneath these buttons is a teal bar with three white buttons: "Reset", "Search", and "New Client". The main content area has a light yellow background and contains three sections. The first section is titled "Find Client Records" with the subtitle "containing text in any field". It features a white text input field and an orange button labeled "Quick Find". The second section is titled "Advanced Search" with the subtitle "Please enter Client Key (PIN) or any other combination of fields." and an orange button labeled "Advanced Search". The third section is titled "Create New Client Record" with the subtitle "If you are sure the client has not been previously entered into HMIS." and an orange button labeled "New Client". At the bottom of the app, there is a footer area with a logo of two interlocking gears on the left, the text "powered by OpenHMIS" in the center, and "Georgia Homeless Management Information System" at the bottom.

Click on New Client

The screenshot displays the 'Client Intake' interface. At the top, there is a dark header with a compass icon on the left, the title 'Client Intake' in the center, and a hamburger menu icon on the right. Below the header, three orange buttons are visible: '< Reset', 'Enter New Client', and 'Search'. A teal bar contains three buttons: 'Reset', 'Search', and 'New Client'. The main content area has a light yellow background and is divided into three sections. The first section, 'Find Client Records', includes a text input field and a 'Quick Find' button. The second section, 'Advanced Search', includes a text input field and an 'Advanced Search' button. The third section, 'Create New Client Record', includes a text input field and a 'New Client' button. At the bottom, there is a logo for 'OpenHMIS' with the text 'powered by' above it, and the full name 'Georgia Homeless Management Information System' below it.
